Mr. Sean Beckstrom North America General Counsel Graco Children's Products Inc. 3 Glenlake Parkway Atlanta, GA 30328 NEF-150KS

16C-004

1200 New Jersey Avenue SE Washington, DC 20590

Subject: Printed Instructions Missing Information/FMVSS 213

Dear Mr. Beckstrom:

This letter serves to acknowledge Graco Children's Products Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

GRACO/TURBOBOOSTER/9999

Mfr's Report Date: April 22, 2016

NHTSA Campaign Number: 16C-004

Components: CHILD SEAT

Potential Number of Units Affected: 20,505

Problem Description:

Graco Children's Products Inc. (Graco) is recalling certain Graco TurboBooster booster seats, models 1967886, 1963973, 1963974, 1963975, 1963976, and 1975173, manufactured between December 22, 2015, and April 5, 2016. The instructions for the booster seats are missing the information that the seats should be securely belted to the vehicle at all times, even if the seat is unoccupied. As such, these seats fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 213, "Child Restraint Systems."

Consequence:

In the event of a vehicle crash, an unoccupied and unsecured child restraint may strike other occupants and cause injury.

Remedy:

Graco will notify registered owners and provide the missing printed instructions, free of charge. Non-registered owners can obtain the missing printed instructions by contacting Graco customer service at 1-800-345-4109. The recall is expected to begin on, or about, June 10, 2016.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As required in Part 573.6(c)(7), in the case of a noncompliance, please provide the test results and other information used to determine the existence of the noncompliance. Include the date of each test and observation that indicated that a noncompliance might or did exist. Please provide this information as soon as possible.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
